How to Add the PUP App to your Home Screen

The PickUp Patrol app for parents is not downloaded from an app store. Our app uses cutting-edge technology that allows for faster logins, instant updates, and less storage on your phone. You simply add it to your phone’s home screen following the instructions for your phone type and browser below.

IPHONE/SAFARI
- Open [https://app.pickuppatrol.net/parents](https://app.pickuppatrol.net/parents) in Safari
- Tap the “Send” icon at the bottom of your screen (rectangle with an “up” arrow)
- Choose “Add to Home” (you may need to scroll right or left to see this icon)
- Rename the page with something short like “PickUp Patrol” or “PUP”
- Click ADD in the top right corner

ANDROID/MICROSOFT EDGE
- Open [https://app.pickuppatrol.net/parents](https://app.pickuppatrol.net/parents) in Edge
- In the Ellipsis menu (lower right corner), choose “Add to Home Screen”
- Select “Add” and “OK” after the prompts
- Choose “Add to Home”

ANDROID/FIREFOX
- Open [https://app.pickuppatrol.net/parents](https://app.pickuppatrol.net/parents) in Firefox
- Press the Menu button (either below the screen on some devices or at the top-right corner of the browser), then tap on “Page”
- Tap “Add Page Shortcut”, Your shortcut should now appear on your home screen

**Tip:** If you want to change the label on your shortcut, bookmark that page first, then change its title on the Edit Bookmark window. On the Bookmarks panel, do a long tap on that site and choose “Add Page Shortcut”.

ANDROID/CHROME
- Open [https://app.pickuppatrol.net/parents](https://app.pickuppatrol.net/parents) in Chrome
- Tap on the Menu button. The appearance of the Menu button will depend on your device—usually it's a button that looks like three horizontal lines stacked on top of each other, or it could be accessed through a hardware button on your phone
- Tap "Add to Home Screen."

IPHONE/CHROME
- Open [https://app.pickuppatrol.net/parents](https://app.pickuppatrol.net/parents) in Chrome
- Tap the Options button (the three horizontal lines) at the top of the screen
- Tap the star icon at the top of the menu
- Change the name for the bookmark at the top of the screen
- Tap the Save button
- To open tap the options button again, choose Bookmarks, and tap PickUp Patrol

**Note:** PickUp Patrol DOES NOT work with Internet Explorer.
